Dear Zongheng -

I'm very pleased to announce that you have been awarded a 2025 Geology Field Scholarship in the amount of \$900!

On behalf of the SESE Director and Associate Directors, let me be the first to congratulate you on your award. We sincerely hope that this will help you get the very most out of your Geology Field Camp experience.

You will need to register for GLG 452 #43340 this summer and you will receive an email from the SESE media team with additional steps you must complete if you choose to accept this award. You should be able to see details of the award under your "Finances" tab from your MyASU shortly and funds will be released in mid-May.

Please do not hesitate to ask if you have any questions, and again, congratulations.

Sincerely,

Kelin X. Whipple, Professor
Associate Director for Undergraduate Initiatives
School of Earth and Space Exploration
